4.1 DR said that the roof of the Little Shop has been repaired and the cones have gone.

4.2 AV referred to item 5.2 where everyone approved the application as long as there was no other development on the site but said that another application had since been received. CR responded that the council had approved but there was a lot of conditions.

4.4 Van in Pandy Tudur – the situation remains the same and the owner has promised to move it within 3 weeks. After the time elapsed CWG contacted the site owner and said that the van had not been moved and that the owner has refused to move it again. CR said to contact with Emrys Felin to discuss the matter.

4.5 Request received during the month for a letter to support a grant application by Sir Henry Jones Museum. Following a number of councillors responding saying that they wanted to send a support letter, it was drafted by CWG and sent to Shirley Williams.

4.6 Public Meeting 15/5/25 – Decided to design a poster to advertise the event and response leaflets for those unable to attend. Posters will be placed on the website, Facebook, local noticeboards, shop, Stag, bus stop near the shop, Y Gadlas, and advertise during chapel and church services and on Class Dojo. Paper copies of the response sheets could also be placed in the shop and the Stag. Decided on 15th May as a closing date for responses to coincide with the public meeting. CR will chair and CWG to take minutes.

JH said it was possible to contact a society that has done this on Anglesey to see what grants are available and it was beneficial to have a 2G playing field rather than 4G as 2G is for all sports but 4G is only suitable for football.
